

HSLC NAMING OPPORTUNITIES

The new James Cook Animal Shelter and Adoption center on Highway 70 was made possible through the generosity of many donors to the HSLC Capital Campaign. Donors may sponsor cat and dog kennels with annual donations under \$500. With major gifts of \$10,000 or more, donors may more permanently “name” rooms or areas inside the shelter, or “memorialize” loved ones in our Memorial Park and exterior grounds.

INSIDE THE SHELTER - If you were to visit our new shelter today, you would see that some plaques honoring donors' generosity are already placed in some areas of the shelter. You will also witness many other areas where your name *could be* recognized. You may also notice that some areas will have singular plaques while other larger rooms or areas will have multiple opportunities for donor recognition.

For example:

- Dog Suites (kennels)
- Dog Meet and Greet area
- Cat Catio
- Cat Playroom
- Spay Neuter Facility
- Staff Breakrooms
- Dog and Kitty Kitchen and Laundry rooms

We will work with you directly to match your giving level with the best way of acknowledging your gift and your wishes. Know that your generosity will not only have a lasting impact on animal welfare and the overall quality of life in Lincoln County, but will also come with some lasting recognition of your generosity and care for our four-legged friends and your local Humane Society.
